

EPIIC@UCO: _____

Oklahoma STEM Summit

Thursday, March 26, 2026
8 a.m – 5 p.m.

Nigh University Center – Grand Ballroom

UCO Campus
100 N. University Drive
Edmond, OK

Through the National Science Foundation EPIIC (Enabling Partnerships to Increase Innovation Capacity) grant, UCO and partner universities are developing a national model for workforce innovation, industry collaboration, and research impact.

This full-day research and innovation event features keynote speakers, interdisciplinary breakout sessions, student research presentations, panel discussions, and multiple networking opportunities.
